Dear Members,

My term as the President of our esteemed Club is coming to an end and I would like to take a moment to express my immense gratitude to each and every one of you, for your unwavering support, which has been the cornerstone of tenure.

I am truly humbled by the trust you have placed in me, and for the opportunity to serve alongside such a dedicated group of Committee Members, who have worked hand in hand and with great passion, to make the Club a vibrant and welcoming destination for you and your Family.

Your active participation has been invaluable and which has truly made the difference. The Club, in fact is bustling with Members and their Friends, on almost every evening. All events saw a record turnout of Members. The Sports Facilities too witnessed an overwhelming participation, particularly from the younger brethren of the Club. All our Inter/Intra Clubs Sports events were a roaring success.

Being a sportsman myself, it has always been my passion to inculcate Sporting Culture amidst the younger generation. To that end, it is with great pride, that I am pleased to state that we now have Badminton coaching by "Badminton Gurukul" promoted by none other than the legendary "Pulella Gopichand". This effort of ours has been very well received by Members and I hope to see another "Gopichand" emerge from our second generation Members, in the near future.

The refurbished "Bar One" and the renovated Men's Changing Room have set a new benchmark for the City's contemporary Clubs and has received admiration from one and all.
