Dear Esteemed Members,

As we herald the New Year, I, on my own behalf and on behalf of the Members of your Committee, extend my warm wishes that the Year ahead brings joy, success, and prosperity, beyond measure to each one of you and your family.

I am writing to cordially invite you to the forthcoming Special General Meeting convened by your Committee, on Saturday, the 4th January, 2025 at 11.30 am, at the Club. Your Committee has diligently worked on some crucial matters which will be beneficial to the Members at large.

I am giving hereunder the highlights of the proposed Resolutions, for your consideration.

1. It has been proposed that herein after Lady Members, who are wives of our deceased Members, will now not require to pay any Monthly Subscription. This proposal is a step to honour our Gentlemen Members who have passed away and is only a very small measure to alleviate the burden of payment of subscription to their loved ones. Our Club will perhaps be the first Club to extend this facility to such Lady Members, if approved by you.

2. It has also been proposed that Members who are of 30 years standing and 65 years of age, will now not require to pay any Monthly Subscription nor any Minimum Usage Charges. This is a goodwill gesture, in recognition of the contribution to the Club, by our Senior Members, over the years.

3. There has been a longstanding demand from the cross-section of members to introduce e-voting, as is now the norm in almost all the contemporary Clubs of the City, alongside the option of physical voting, to facilitate Members who are travelling, of old age, or posted out of the City, to voice their opinion and exercise their vote. This again will be a measure in sync with the digital age that we are witnessing today.

Dear Members, the Resolutions tab'ed for discussion and your approval, encompass key decisions that are of interest to our Senior Members, section of Lady Members and in keeping with the demands of our Members who can now exercise their franchise, from across the Globe.

I sincerely look forward to welcoming eligible Members, at the Special General Meeting, as your support is crucial in the Club's vision of respecting our Seniors for their contribution to the Club over the years, and also to meet with the aspirations of our Members.

With warm regards,

Gaurav Chokhany
